

ANNUAL UPDATE

Thank you for your generous support in our first year! You've joined us in spreading sunshine to our local community, all in our beloved Renee's memory.

Your donations to RPF directly benefit all causes we support.

In 2023, Renee Parker Monihan Foundation raised \$100,000 for the Renee Parker Monihan Memorial Fund at Shore Medical Center in Somers Point, NJ.

We also raised \$20,000 for the Renee Parker Monihan Early Childhood Education Endowment Fund at the Milton & Betty Katz JCC in Margate, NJ.

See below for details on our fundraising in 2023, upcoming 2024 events, and more.

FIRST ANNUAL NENE'S DAY AT GREATE BAY

What a Day!

RPMF sold out for both golf and dinner at our First Annual Nene's Day at Greate Bay. Our largest annual fundraiser. Fun was had by all who attended on such a beautiful sunny day. Thanks to your generous support, we exceeded our event fundraising goal of \$100,000.

Silent & Live Auction

Our Silent and Live Auctions were extremely successful and brought in more than \$32,000 on the day of our event. Highlights included a Jalen Hurts signed Eagles jersey, many exclusive golf foursomes to some of the top clubs in our region, and even an overnight trip to NYC with chef's table dinner and Billy Joel concert.

2023 EVENT RECAP

Nene's Day at the Bay

Thank you to our friends at OCNJ Watersports and the Aquapark in Ocean City, NJ. They hosted our 2nd Annual Nene's Day at the Bay and we raised over \$13,000 in one very fun August day. Join us in 2024!

Nene's Toys 4 Tots Toy Drive

Happening now, our first annual toy drive for Toys 4 Tots. New, unwrapped toy donations will directly benefit children in our local community, Atlantic and Cape May Counties. We are accepting in-person donations and virtual toy donations online.

Sunshine for our Local Community

Your donations to RPMF directly benefit all causes we support.

In September 2023, our Executive Board approved and RPMF presented Shore Medical Center with a \$100,000 donation to the Renee Parker Monihan Memorial Fund, which supports pediatric medical care through the Ouchless ER program and the creation of Shore's new Pediatric Specialty Care Emergency Room. The room's location means children and families will not have to pass through the ER's adult section. The space will be enclosed and have soundproof walls, providing children and the clinical team with the necessary privacy to make the child feel safe while receiving care.

This room will also be much larger than a typical space in the ER, so it can accommodate family members if procedures allow. Nothing can comfort a child in an emergency room like having a parent or loved one with them. This new addition will contain the latest technology specifically needed for pediatric patients, along with furnishing, treatments, and flooring. Every detail, down to the blue coloring of the walls and upholstery, has been considered, which offers a sense of calmness throughout the room.

In September 2023, Our Executive Board and RPMF presented the Milton & Betty Katz JCC's Renee Parker Monihan Early Childhood Education Endowment Fund with a \$20,000 donation. This fund directly supports tuition for children attending the early childhood education center. In 2023, a young student had their entire year's tuition provided for by the fund.
