

# Annual Update

2025 | | Donor Newsletter

## *Thank You*

As we wrap our third full year in operation, we are so grateful for your continued support. It's truly been humbling to receive such generosity in order to continue to give back to our local community in Renee's memory. Your donations to the Renee Parker Monihan Foundation directly benefit pediatric medical care and early childhood education.

In 2025, we granted \$150,000 for the Renee Parker Monihan Memorial Fund at Shore Medical Center in Somers Point, NJ. We also granted \$20,000 for the Renee Parker Monihan Early Childhood Education Endowment Fund at the Marjorie & Lewis Katz JCC in Margate, NJ. Read more for details on each cause we support. With deep gratitude, Chris & Andrea Monihan

## *Shore Medical Center's Emergency Department Transformation*

RPMF's next project with Shore Medical Center is the transformation of 12 Emergency Department patient bays. These bays are currently separated only by curtains, which may make patients hesitant to speak openly with their care team about sensitive health issues. Likewise, those in pain or distress may feel self-conscious about being overheard by others. With the support of RPMF, through your generous donations, SMC will be converting these areas into glass-enclosed, private rooms, modeled after the RPMF Specialty Care Room. This upgrade will protect privacy, reduce noise, and provide a quiet, reassuring space where patients can rest, recover, and feel safe while receiving care.

Pending state approval, we anticipate completion in 2026. The result will be a more modern, compassionate Emergency Dept – one that reflects our shared belief that families in our community deserve access to the highest level of care.

In 2025, RPMF supported Shore Medical Center to renovate their Family Waiting Room in the ER department. This renovation provides a comfortable and child-friendly environment for families to wait to hear from medical staff on the condition of their loved ones.

## *Renee Parker Monihan Early Childhood Endowment Fund at the Marjorie & Lewis Katz JCC*

In 2025, this fund was able to provide a disabled toddler with a year's worth of tuition to the Early Childhood Education Center at the Katz JCC, where Renee also attended as an infant and toddler. The Early Childhood Education Center is well known in our local community as providing a loving and nurturing environment while ensuring infants and toddlers are given an educational foundation for a great start in life.
